

Press Release:

New Software, Records and Interfaces Launching on TheGenealogist in 2016

We are launching a range of interface improvements and are also re-digitising key records. This means our users will have access to new high quality, high resolution zoomable images for a wide range of record sets including census. The new features include allowing you to alter contrast, brightness, rotation and inversion of our images.

CENSUS OF ENGLAND AND WALES, 1911.

Before writing on this Schedule please read the Examples and the Instructions given on the other side of the paper, as well as the headings of the Columns. The entries should be written in ink. The contents of the Schedule will be treated as confidential. Strict care will be taken that no information is disclosed with regard to individual persons. The returns are not to be used for proof of age, or in connection with Old Age Pensions, or the preparation of Statistical Tables.
