

Press Release:

TheGenealogist releases Outgoing UK Passenger Lists for the 1940s decade

RMS Mauretania; from TheGenealogist's Image Archive

TheGenealogist has just released **1.4 million Passenger Records covering the 1940s**. This expands our Outbound Passenger Lists to over 25 million and form part of our larger immigration and emigration collection on TheGenealogist. The new records feature passengers who sailed out of United Kingdom in the years between 1940 and 1949 these newly transcribed **BT27 images** are from The National Archives. The passenger lists released today will allow researchers to:

- **Discover potential family members** travelling together using TheGenealogist's SmartSearch
- **Find ancestors sailing to Africa, Australia, Canada, India, New Zealand and other destinations**
- **View images of the original passenger list documents**
- **See the ages, last address and intended permanent residence**
- **Fully indexed** records allow family historians to **search by name, year, country of departure, country of arrival, port of embarkation and port of destination**

Researchers who had ancestors that travelled abroad from Britain in the 1940's will find these records a fascinating addition to the vast collection of records on [TheGenealogist](https://www.thegenealogist.co.uk).

About TheGenealogist

[TheGenealogist](#) is an award-winning online family history website, who put a wealth of information at the fingertips of family historians. Their approach is to bring hard to use physical records to life online with easy to use interfaces such as their Tithe and newly released Lloyd George Domesday collections.

[TheGenealogist's](#) innovative SmartSearch technology links records together to help you find your ancestors more easily. [TheGenealogist](#) is one of the leading providers of online family history records. Along with the standard Birth, Marriage, Death and Census records, they also have significant collections of Parish and Nonconformist records, PCC Will Records, Irish Records, Military records, Occupations, Newspaper record collections amongst many others.

[TheGenealogist](#) uses the latest technology to help you bring your family history to life. Use [TheGenealogist](#) to find your ancestors today!

About The National Archives

[The National Archives](#) is one of the world's most valuable resources for research and an independent research organisation in its own right. As the official archive and publisher for the UK government, and England and Wales they are the guardians of some of the UK's most iconic national documents, dating back over 1,000 years. Their role is to collect and secure the future of the government record, both digital and physical, to preserve it for generations to come, and to make it as accessible and available as possible. [The National Archives](#) brings together the skills and specialisms needed to conserve some of the oldest historic documents as well as leading digital archive practices to manage and preserve government information past, present and future.
